51

1 should?

2 Q Yes.

3 A Definitely.

4 Q So just to make sure I understand, does that
5 mean that at that time you believed that Hodell should
6 leave Business One with In-Flight?

7 A Yes.

8 Q Did that opinion ever change between then and
9 now?

10 A No.

11 Q Do you have any experience with -- Strike
12 that.

13 At the time you left Earnst and Associates, did
14 you work with any Business One customers?

15 A No.

16 Q Did you work with any customers that were
17 using any other SAP products?

18 A No.

19 Q So broadening the time frame here, are you
20 personally aware of any problems that Hodell has had
21 with software at any time, other than the problems with
22 Business One and In-Flight?

23 A No.

24 Q Okay. I believe you said earlier that before
25 you came to LSi you were involved with the development
